Domhnach na Trócaire (Mercy Sunday)

The Message of the Divine Mercy that Sr. Faustina received from the Lord was not only directed toward her personal growth in faith but also toward the good of the people. With the command of our Lord to paint an image according to the pattern that Sr. Faustina had seen, came also a request to have this image venerated, first in the Sisters' chapel, and then throughout the world. The same is true with the revelations of the Chaplet. The Lord requested that this Chaplet be said not only by Sr. Faustina, but by others: "Encourage souls to say the Chaplet that I have given you." The same is true of the revelation of the Feast of Mercy. "The Feast of Mercy emerged from my very depths of tenderness. It is my desire that it solemnly be celebrated on the first Sunday after Easter. Mankind will not have peace until it turns to the fount of My Mercy." (Pope St. John Paul II set aside the 1st Sunday after Easter) These requests of the Lord were given to Sr. Faustina between 1931 and 1938 can be considered the beginning of the Divine Mercy Message and Devotion in the new forms. But the world has always known about God's great mercy and love.
